Innovative Processing Solutions, LLC is submitting this Waiver Request of the deadline for submission of the February 2005 499Q.

The Filer ID 813030 was formerly assigned to Transcommunications Incorporated. Transcommunications Incorporated filed for bankruptcy in December 2003. The assets of Transcommunications Incorporated were purchased by new owners Transcom Acquisition Company, LLC on November 8, 2004. The company originally known as Transcom Acquisition Company, LLC later changed their name to Innovative Processing Solutions, LLC. It was not clear to the new owners of Innovative Processing Solutions, LLC if they would be filing using Transcommunications' Filer ID or if they would be issued a new Filer ID by the FCC. After speaking with Heather Maitrejean at USAC, it was determined in late April that Innovative Processing Solutions, LLC should use the Filer ID 813030 assigned to Transcommunications Incorporated. Ms. Maitrejean instructed us to file the February 499Q and the 499A forms late. Both forms were submitted using Filer ID 813030 on May 20, 2005.
